All information presented prior to Index launch date is back tested. Back tested performance is not actual performance but is hypothetical. The back-test calculations are based on the same methodology that was in effect on the index Launch Date. However, when creating back-tested history for certain periods, index methodology rules may be relaxed to capture a large enough universe of securities to simulate the target market that the index is designed to measure. Relaxation in rules may include but are not limited to changes to Stock inclusion criteria, buffer rules, capping and number of constituents. Past performance of an Index is no indication of future results. The BSE Indices (the “Indices”) are published by BSE Index Services Private Limited (BISPL), (formerly Asia Index Pvt.
